SunPatiens®
Impatiens

The original and trusted brand of
sun and shade loving impatiens!

SunPatiens® Compact

Compact varieties provide strong retail appeal and a smaller habit that works well in high-density production.

Surveys show an overwhelming majority of consumers who garden with SunPatiens have a good experience and 80% would recommend them to a friend.

SunPatiens® Deliver Value

It's no wonder SunPatiens has become one of the leading brands in today's marketplace. Trusted by growers, retailers, landscapers and consumers alike—SunPatiens deliver flourishing color in both sun and shade, spring through fall. With over 11 years of proven performance, no other annual brings more reliable flower power. Plus, SunPatiens...

- Can be direct stuck in containers up to 6 inch
- Can be grown cool for highest quality and to save energy costs
- Do not need PGRs when grown as directed
- Offer very fast growth for quick turns—they beat traditional New Guinea impatiens by 2 to 3 weeks
- Are unaffected by Downy Mildew
- Thrive under high heat and humidity, outperforming traditional bedding plants in growth, stress tolerance and color

SunPatiens® Complete Line Up

SunPatiens come in two perfectly suited series for success anywhere in the world: **Compact** which are ideally suited for warmer climates and high-density production, and **Vigorous** which feature more robust growth habit and may be more suitable for cooler (Northern) climates.

Compact

- Blush Pink
- Coral Pink
- Deep Rose

- Tropical Salmon
- Tropical White

*Tropical varieties feature green-yellow variegated foliage.

SunPatiens® Vigorous

New Vigorous varieties feature better branching with strong plant vigor. Ideal for cooler regions and where fast-growing, massive color is essential.
