SAKATA®

LISIANTHUS

Sakata's Lisianthus are recognized across the globe as being the industry standard for quality, reliability and performance. Sakata offers the widest range of Lisianthus types from the new single flowered Solo series to the gorgeous double fringed Voyage series. 3 flowering groups allow cut flower production year-round with various flower forms and unique colors. In 2023 Sakata is launching the first pollen-free Solo series with longer vase life for greater consumer satisfaction. Enjoy!
