THE *Original* AND TRUSTED
BRAND OF *Sun* AND *Shade*
LOVING IMPATIENS!

SAKATA[®]

SUNPATIENS®

IMPATIENS

Trusted by growers, retailers, landscapers and consumers alike, SunPatiens deliver continuous color in both sun and shade, spring through fall. With over 18 years of proven performance, no other annual brings more reliable flower power. It's no wonder SunPatiens has become one of the leading brands in today's marketplace.

SunPatiens are available in two distinct series to provide maximum success depending on finish container size and regional location. Compact SunPatiens are ideal for high-density production, patio pots, hanging baskets and areas where night temperatures exceed 70°F/21°C. Vigorous SunPatiens feature a more robust habit that is well-suited for mass-plantings and work well in cooler climates where stronger growth may be desired.

*Flowers that Flourish
in Sun and Shade*
