SUPERCAL[®]

PETUNIAS

When it comes to garden performance, SuperCal and SuperCal Premium are uniquely superior to all other petunias. Part petunia, part calibrachoa, SuperCal combines the very best of both to deliver exceptional heat tolerance, long lasting, large flowers that bloom early and extend into the fall season!

The SuperCal family gives you all the choices and performance you need for spring, summer and fall with SuperCal and SuperCal Premium.

The All-Weather Petunia

THE Power OF SUPERCAL[®]

HEAT & COLD

Proven to last early spring to first frost, performing through the heat of summer

RAIN RECOVERY

Flowers stay open and fresh during light rain and rebound quickly after heavy downpour

ENERGY SAVINGS

Can be grown cool, keeping growing costs down

RESISTS DISEASE

High resistance to powdery mildew and botrytis

SELF-CLEANING

Deadheading is not needed - ever!

MASSIVE COLOR

Large flowers and unique colors offer great potential for spring, summer and fall promotions

SUPERCAL[®] PETUNIAS

SuperCal varieties feature a vigorous trailing habit covered with an abundance of blooms. Non-sticky foliage provides a cleaner look and strong roots keep leaves greener under stress.
