

# COLEUS

THE PERFECT ACCENT  
*Sun or Shade*

**SAKATA®**

# COLEUS

Coleus adds color and dimension to any garden or container. From traditional landscape genetics to exceptional standalone container varieties, Sakata can cover your Coleus needs.

In seed, Coleus Fairway and Superfine Rainbow are perfect for pack production, offering bright, exciting colors for full and semi-shaded areas.

Our vegetative offerings of PartyTime™ and Burgundy Wedding Train offer the flexibility of full sun and shade. PartyTime™ Coleus was bred explicitly with a semi-trailing habit to perfectly match SunPatiens in mixed combination planters. Sakata is incredibly proud to offer Burgundy Wedding Train, the market leader in a trailing habit.

*The Perfect Accent  
Sun or Shade!*

## THE Appeal OF COLEUS

### SUN AND SHADE

Party Time™ and Burgundy Wedding train offer sun and shade performance

### SEED AND VEG

Two series available in seed form and a full line of vegetative options

### COLOR POP

Bright foliage colors that pop at retail

# FAIRWAY

Fairway is an extra dwarf coleus series with excellent basal branching. This series is very late flowering for improved shelf life and is a good option for year-round production.
